

March 19, 2020

HFI Truck Center is closely monitoring the situation regarding COVID-19 and will take all necessary actions as needed to protect our employees, customers and community. As this situation is constantly evolving our precautions may adjust too. Currently, as of March 20, 2020 our operating hours for all departments will now be 8:00 am to 4:30 pm. We will continue to take necessary precautions to provide a safe and healthy environment in accordance with guidelines from the CDC.

In addition, HFI Truck Center has made some changes to ensure compliance with the recommended 6 ft social distancing. While we are still open and operating, we are doing our best to limit human contact as much as possible.

All truck sales inquiries will occur over the phone and via email. At this time road tests and seeing trucks in person is temporarily unavailable.

All parts orders, quotes and assistance will be handled over the phone. We are offering several options regarding parts delivery:

- 1) Free 2-day direct shipment of parts to you. *surcharges may apply
- 2) Free curbside delivery to your location *dependent on location
- 3) Curbside pickup at HFI Truck Center. Please call 908-232-4600 ext 2 when you arrive and personnel will bring your parts out to your car.

All service customers are asked to call us when you arrive with your truck for drop-off. Personnel will meet you outside to check your truck in. At this time, our waiting room is closed however we will happily arrange a return Uber ride for you.

We appreciate your understanding and cooperation at this time. We value your continued patronage especially during these uncertain times. Thank you.
